Atlantic Electropyse: Goutlemen—for the past five years my wife has been a sufferer from dyspepsia. Se completely did the disease make a wrock of her former self that life was almost despaired of. Her nervous system was almost entirely destroyed, and the slightest noise would throw her into a nervous spasm, which would lest for hours. Medical skill failed to bring any relief.

Through the recommendation of an eminent divine we were induced to try the Elect epoles. After a parsistent use of the instrument, the effect has been wenderful. Her nervous system has been restored to its almost normal condition; her digestion is wenderfully improved; she is rapidly gaining in Sash; and, upon the whole, is making a rapid recovery, which speaks volumes for the wonlerful carative powers of the Electropoise, as her case was considered hopeless. If any are skeptical on the subject, let them try the Electropoise, and its wonderful powers will quickly dispatch the subject of the speaks of the carriage and death actions must be paid for in advance.
